President's Message

Ames Figure Skating Club,

Over the course of the past five years on the AFSC board, I have had the privilege of helping to add to our club. In that time, we have gone from 92 members to over 130 members. We have added ice to accommodate more skaters. We have moved into the digital world by using Entryeeze when possible, using Signup Genius for events and allowing members to sign up and pay for summer camp through the Internet. We have added social events to help our club get to know each other off the ice and this year we are adding an Exhibition and additional Test Session. I realize that everyone has different goals so it has been my goal, while serving on the board, to provide more opportunities for ALL of our skaters. The only way we are able to grow and increase opportunities for everyone is if we have multiple perspectives. I have tried to encourage parents of new skaters, young skaters, families with multiple skaters, out of town skaters, Ames skaters and adult skaters to all participate on the board. When we discuss options for our club, it is very helpful to have a variety of different perspectives so that we can all understand what people feel is important. I know our club will continue to develop and get better, but that only happens when we get involved.

Some of my favorite times at the rink have been when I have been helping to set up or clean up from different events. Those are the times that I have gotten to know new members or gotten better acquainted with established one. Our skaters are some of the most dedicated athletes I have ever known and they have the best families. I have been privileged to get to know many of you. I will be serving as Past President for the next year in a non-voting capacity, but I plan on still being a very active volunteer for the club.

Jenny Slack

My name is Deanna Maifield and I will officially become the club president this month. As my first and most important task, I would like to thank Jenny Slack for all of her hard work. The club has grown in many ways under her leadership, but I am most impressed by the spirit of friendship and mutual respect that Jenny has always fostered.

For those of you who do not know me, please introduce yourself at the Iowa Games this month. I'll be at the awards table. I hope to see you there!

**Have you renewed your AFSC
membership yet?**

- Name of competition (i.e. Iowa Games, Cyclone Country Championships, etc.)
- Date of the competition
- Event(s) the skater participated in (i.e. Free Skate, Preliminary)
- Place (i.e. 2nd)

Only the information sent by the skater or their parents will be published. Information should be sent by the 25th of the month to be included in the next issue. Information received after the 25th will be published in the following newsletter.

Test Results (Official test results are sent from United States Figure Skating and then published; sometimes these arrive later.)
