## SUMMER CAMP

### Blazing Blades

- We have added two mornings each week (Mondays and Thursday.)
- We are also still offering Sundays
- For Blazing Blades camp Thursdays are busy days. We will have 2 classes, Jumps followed by Power. At 7:00pm we will then have 30 min stretching/yoga class.
- The last day of summer camp (July 27) will be an exhibition. If you are signed up for that week the fee is included. If you are not signed up for that week but you would like to perform at the exhibition it will cost \$15. This will be a great time to show off the skills that you learned this summer. If you do not have a free skate you are welcome to still show off some of your skating skills.

### Beyond Basics

- The Beyond Basics camp starts 30 minutes later than last year. It will start with 20 minutes off ice warm-up. Then 10 minutes to get your skates on. The next 30 minutes will be a small group youth class. An exciting change this year is that the next 30 minutes will be used to choreograph a compulsory program that your skater can use at the Iowa Games figure skating competition this summer (The event registration is not included in summer camp fees).

### Registration Dates -

**April 25th - May 4th** - AFSC members will be able to register for the 7 week packages. A larger discount is offered for these packages.

**May 5th** AFSC associate members summer camps will open up for weekly registrations. Discounts will be offered for multiple week purchases.

**Starting May 12th** weekly camps will be available to anyone.

**Starting May 22nd** individual days will be sold, if available (No discounts)

If you have any questions, please contact [Kelly](#).

The AFSC Board meeting will be held at a location to be announced during May. The ice arena will be closed for maintenance work at that time.
